VALUE PROPOSAL

Designed by the Atelier Xterier team, the ENA Chair enhances the ambiance of spaces with its simple, aesthetic design approach. Drawing attention with its soft design details and comfortable seating structure, the ENA Chair brings elegance to any space. This chair stands out not only as a piece of furniture but also as a design object that enriches the atmosphere of the space.

The natural beauty of skillfully crafted teak wood highlights both the structural durability and visual elegance of the chair.

With its curved back design structure that naturally supports your body when seated, the ENA Chair provides unmatched comfort. This feature proves ergonomically even during long periods of sitting.

Another detail that enhances the chair's comfort is the meticulously crafted woven rope details. These details add aesthetic value to the chair while creating a soft and inviting seating structure.
