VALUE PROPOSAL

The Atelier Xterier lighting collection is a series designed to illuminate your outdoor living spaces. This series aims to make spaces more stylish and useful by prioritizing simplicity and comfort. It meets your outdoor lighting needs with elegance and durability while enjoying every moment in your garden, terrace, or balcony. These lighting products are manufactured using materials resistant to all weather conditions. Solar-powered and energy-efficient LED light units provide a wireless electrical installation in your space. The remote control feature of Luce allows the user to easily adjust the lighting levels and personalize the outdoor experience.

The Atelier Xterier Outdoor Lighting collection provides an aesthetic appearance with its wicker woven details that offer elegance and naturalism. These materials guarantee that the products remain durable and stylish even after extensive use in outdoor conditions.
