## VALUE PROPOSAL

Mono is a design to meet all workplace needs in one chair platform in the same characteristic approach. The design comes with various typologies; Task chairs come with medium and high back versions with synchronized multi-block with sliding seat and seat angle adjustment options. The rear frame is in polypropylene, and inside there is the choice for fire retardant mesh or knitted mesh. Armrests come with fixed, 1D, 2D, 3D, and 4D options. The lumbar support is height adjustable and the head rest can be optionally upholstered. Visitor and meeting models come with lower back and legs finished in black epoxy paint or chrome.
