

OBLIVION

Designed by
Koray Malhan

VALUE PROPOSAL

By strategically carving out substantial openings, one can introduce voids within the office design, a seemingly unattainable feat in today's congested layouts. These voids serve as sanctuaries for non-work spaces, reminiscent of ancient communal settlements. The deliberate creation of such gaps fosters a more balanced and creatively conducive environment.

TPOLOGY

OBLIVION 50 H130_WORKING UNIT

20 pcs
3.200 m³
113.07 cbft³

Dimensions:

Overall Depth & Width: 3870 mm / 152.3"

Overall Height: 1600 mm / 63"

Lower Diameter: 3435 mm / 135.2"

Upper Diameter: 3870 mm / 152.4"

Desk Height: 765 mm / 30.1"

Product Description:

Oblivion's Working Unit features sections of shelves and desks inside, and the product provides space division as well as functions of an office inside. There's four shelves in each shelving section. Each tabletop has a shelf above them, which is an extension of the other shelving units. The tabletop and the shelves are laminated MDF with chamfered and waxed edges. Each desk features an electrical unit with two power outlets and USB ports.

Oblivion's walls widen from the floor to the top of the structure, causing the product's diameter measurements to increase from the bottom to the top.

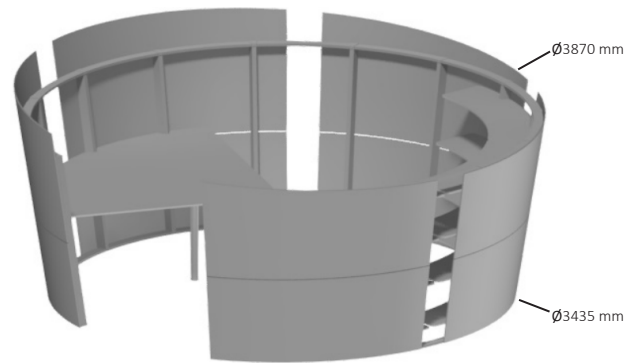

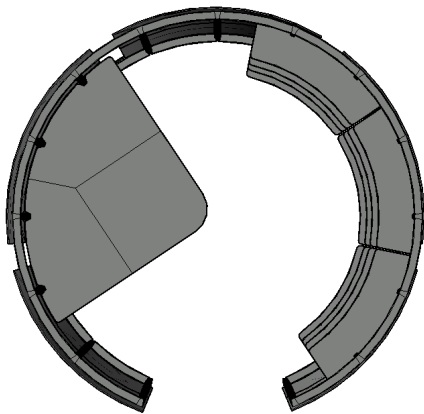

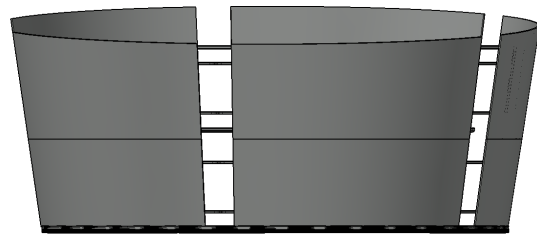

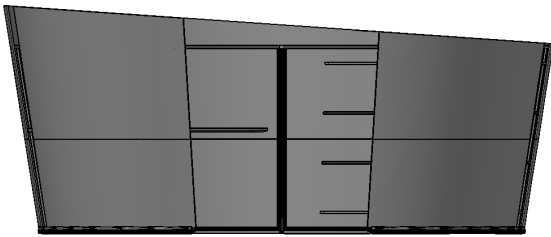

The outer structure of Oblivion features powder coated aluminum beams, and the curved surfaces are moulded and bent plywood upholstered in selected fabrics.
